

Type of Incident: Traffic

Date: 10.09.2017

Time: 15:00, Local Time

Location: Republic Sakha (Yakutia), Aldan region, Federal road “LENA” A-360 Never – Yakutsk, 571 km.

Short description of the incident:

A company automotive repair man having neither valid driving license nor permission to drive a vehicle UAZ 220694, drove it. Under conditions of restricted view (fast corner) and adverse road conditions (dry gravel road and run of hill) hit automobile KAMAZ belonging to an outside organization which was moving in the oncoming lane. Within few minutes the third vehicle URAL (pipe carrier) which was moving behind UAZ 220694 in the same direction ran into KAMAZ and UAZ 220694. As a result the mechanic died immediately from injuries sustained in this accident.

The reasons that caused this fatality incident;

- 1. Lack of control (unauthorized person having no right to drive this vehicle took it from garage).**
- 2. Breach of duties and labor misconduct**
